

## 2025 Credit Card Charge Agreement

We have implemented a new policy, which requires customers to maintain their credit card information on file. Upon request, we will send you a receipt and breakdown of the charges either in paper form or by e-mail.

Canandaigua Boatworks reserves the right to cancel this privilege at any time, without prior notice.

I authorize Canandaigua Boatworks to charge my outstanding balances to my account either (i) at the time of sale or (ii) at the end of each month, in its discretion.
